

# ***THY WILL BE DONE!***

***Matthew 26:39 “not as I will, but as thou wilt.”***

If Jesus, who is God incarnate and calls himself the son of man, saw fit to acknowledge that He was in love with the will of God for Him, and when He was about to endure the worst, by offering Himself as a sin offering; Why do we need to tell sinners that God loves them when all sinners are telling God they hate Him by refusing to have His thoughts in their minds and His concerns in their hearts?

We ought to be telling God, just as Christ our representative did, that we love Him by carrying His Mind and Heart in our souls ready to do his Will no matter what befalls us. We have to answer to God at all times and not God to us!

What gives sinners the right to walk around in this world robbing God's property i.e. their hearts and minds, to willingly give himself together with Adam, to His archenemy Satan? And what gives them the audacity to say to God they have full possession of their soul and its faculties and there is nothing God can do to them if they don't consent to it.

They are so blind! They do not realize that God does a thousand things or more without their consent or approval just to keep them breathing and walking on the earth. And He does it because as far as God is concerned, He owns all things. The cattle on a thousand hills are His, as well as the myriads of souls upon the earth.

Only God knows and keeps the planets in their orbits, only God knows and keeps the sun shining, only God knows and keeps the moon from falling, only God knows and keeps the plants purifying the air we breath, only God knows and keeps our brains automatically pumping and running our hearts, only God does all these things essential for our physical existence.

If God without our consent exercises such magnificent control over this physical world we can see, what makes sinners think God has to wait on their consent for Him to give them a blessing from the spiritual world which they can not see; when first of all we were made by Him and for Him.

*His will alone has been done, is being done and will continue to be done!!!*
