

**Insights into the kingdom: deciphering the parable that the
Life of unbelievers tells of the inner government (i.e. the kingdom)
of God.**

**He who has the
Success Of Nations
also has the
Full Advantage To Have Everything Rapidly**

The Motivation For The Choosers To Follow The Word

The goal of all peoples from all nations, especially of the democratic and capitalists countries is to work hard to have success because success ensures prestige, power, status and wealth and all these give you the *f*ull *a*dvantage *t*o *h*ave *e*verything *r*apidly.

Once you have the *S*uccess *O*f *n*ations you cherish the title of philanthropist (Lover of Mankind) and you share your influence, riches and wealth so that your charitable institutions get to experience a little taste of the *f*ull *a*dvantage *t*o *h*ave *e*verything *r*apidly which you enjoy at all times because you have the *S*uccess *O*f *n*ations.

The **S**uccess **O**f **n**ations gives you the **f**ull **a**dvantage **t**o **h**ave
everything **r**apidly and the **f**ull **a**dvantage **t**o **h**ave **e**verything **r**apidly
recommends for you to experience (i.e. witness) for yourself the **S**uccess **O**f
nations.

The only heritage or task left for those not familiar with the inner government (i.e. Kingdom) of God within the soul of his chosen ones, is that of pursuing/achieving the aforementioned experience to feel fulfilled and satisfy with their existence.

Blessed are the ones chosen to the inner life for they are spared from the toils, disappointments & delusions accompanying those who have to build up this external existence which is nothing but a parable of the real existence God the Son and God the Father have within the souls of those that have the Holy Ghost.

In the Holy Ghost we are taught that the **S**uccess **O**f **N**ations is the word that
creates all things and makes them function and that Word is **THE SON** of God. In
the Source and the **S**uccess **O**f **N**ations we are introduced to the
FATHER who gives us **F**abulous **A**ccess **T**o **H**ave **E**verything
Rapidly and these things are *the things the apostles saw in Christ, His words,
boldness, confidence, attitude and all the things pertaining to life and godliness.
The disciples left behind the life of depending on things from this physical world
and wanted to experience in their souls the life of the Son and of The Father.*

Jesus promised them the Holy Ghost by whom they would be reminded of all things (i.e. the words and ideas of Christ) to witness in themselves the life of the Trinity wherever they went.

The opportunity to experience for themselves the **S**uccess **O**f **n**ations and the **f**ull **a**dvantage **t**o **h**ave **e**verything **r**apidly is what motivates the fallen sons of Adam to do what they do. And those serious in procuring this experience make certain that whether they eat or drink or whatever they do, they do it for the promotion (i.e. The Glory) of the **S**uccess **O**f **n**ations and of the **f**ull **a**dvantage **t**o **h**ave **e**verything **r**apidly in their lives.

*The Motivation For **The*** ***Chosen** To Follow The Word*

The time to experience the constant fellowship of **The Son and The Father** in their souls is what motivates the chosen sons of The Second Adam to do what they do. This is God's purpose for their lives. And in order to see the fulfillment of this purpose they gladly forsake it all and turn from dead works to serve the living God and behold all that our beautiful Lord does in His temple, which is made of our physical bodies. The chosen ones make certain that whether they eat or drink they do it all to promote, thank and glorify the One that called them out of darkness into his marvelous Light.

Nowadays, just as in the earthly days of the Messiah, there are those who presume to know God just like the scribes and Pharisees did, who not only study their Bibles, but also pray, preach, teach, evangelize and do missionary work in the name of Christ. Who are nothing but the converts of Satan propagating the message he wanted Christ to preach when he tempted Him in the wilderness.

Satan is a thief and always wants to teach us to appropriate for ourselves as creatures the promotion and glory that should always be given to the Creator in his creation. The scriptures were given for us to promote the mind and heart of the Creator to His creation

and not ourselves. Any one using them for any reason other than to promote the Creator to his creation does the will of Lucifer.

One way to spot the Luciferites who call themselves Christians is by examining their motivation for doing what they do. For example when the Bible tells you the steps you need to take to correct a brother who has offended you. Granted, most churches don't even allude to this verse to encourage their members to resolve their differences. This alone ought to tell you fellowship with The Son and The Father is not the main motivation of these modern day Christians. But let's examine what motivates those who do attempt to follow this verse.

First of all, we are supposed to congregate to provoke one another unto love and good works and the One who works in us both the willing and the doing of His good pleasure is doing this love and good works.

We are supposed to be watchful of each other as to the way we employ THE WORD (God's Son) to teach and show the Character of the Father and the way we employ the Father to preach and bring the Law (i.e. God's Son) The Father's only well pleasing STANDARD for upholding His Name.

When we TEACH and encourage we experience in our souls the fellowship of the Son opening to us the riches of His Father. And when we PREACH and correct we experience the fellowship of The Father exalting THE Word His Son as the only One in whom he is always well pleased, and the One whom The Father always wants us to hear.

We need to be mindful, at all times, of this Treasure we hold in earthen vessels. The Life of the messenger is THE MESSAGE. It is through THE MESSAGE - the news of the Kingdom - that the triune One gets to travel from heart to heart and mind to mind among believers establishing and strengthening the Flock of God.

Sadly to say, those who use Matthew 18:15-17 are not offended because a brother or sister used The Word, whom they love so much, in an offensive manner to represent God or His Kingdom and finding there a golden opportunity to experience the fellowship of The Father bringing His Son to the needy brother or sister, they quickly avail themselves of this moment.

Sad to say, what motivates Christians nowadays to uses these steps of correction is not the experience of fellowship with THE FATHER and THE SON in THE HOLY GHOST, but simply the desire to protect their reputation or just because their ego's got hurt, or they felt personally insulted. They use the word, given to serve our Lord in the kingdom, to help them settle personality squabbles.

Christ came in the volume of the book that's written about Him to do and show the will of God. And if you insist on using the Bible to promote yourself or to find promises by which you can claim physical blessings here on earth. You are nothing but a Luciferite using the name of Christ - the Creator - to promote yourself - His creature. **What**

greater blessings are there on heaven and earth than the mind and heart of God?

In the preaching of the inner government (i.e. Kingdom) of God we are given the greatest riches ever. We walk in the fellowship of the Creator knowing full well that as long as the Creator has us as stewards and servants of his manifold wisdom he also has us expose to the knowledge of the care of all things. The Word is our true and greatest heritage. Is what makes and keeps all things and makes us useful to all things? Is what communicates the mystery of the Godhead? Is what set us above all powers and principalities? Truly no earthly riches, fame, fortune or power compares to the everlasting WORD. I can only keep what keeps me so the Word I'll keep for He is my Keeper.
